

The Elite – and their Control Mechanisms

Introduction

"In a world of deceit, telling the truth is a revolutionary act" attributed to George Orwell

This paper provides the reader with information about the elite and their heinous crimes. It is third party information and the sources are referenced. My part is joining the dots for those too busy or distracted by the propaganda sources to work it out themselves.

So, what is actually going on? Lets go back several decades although these criminal actions have been operating for centuries.

Kennedy

I watched the Kennedy assassination live on TV and the execution of the patsy Lee Harvey Oswald. The Warren Commission was a cover up as the real perpetrators were members of a worldwide conspiracy. Kennedy was assassinated for a number of reasons but well start in 1961.

JFK Speech¹ delivered on 27 April 1961 at the Waldorf-Astoria Hotel, New York

Quote~The very word "secrecy" is repugnant in a free and open society. And we are as a people inherently and historically opposed to secret societies, to secret oaths, and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in ensuring the survival of our nation if our traditions do not survive with it. And there is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment. That, I do not intend to permit, to the extent that it's in my control.

But I do ask every publisher, every editor, and every news man in the nation to re-examine his own standards and to recognize the nature of our country's peril.

Today, no war has been declared, and however fierce the struggle may be, it may never be declared in the traditional fashion. Our way of life is under attack. Those who make themselves our enemy are advancing around the globe. The survival of our friends is in danger. And yet no war has been declared. No borders have been crossed by marching troops. No missiles have been fired.

No war ever posed a greater threat to our security.

The danger has never been more clear, and its presence has never been more imminent. It requires a change in outlook, a change in tactics, a change in missions, by the government, by the people, by every businessman or Labour leader, and by every newspaper. For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence. On infiltration instead of invasion. On

subversion instead of elections. On intimidation instead of free choice. On guerillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly-knit, highly-efficient machine that combines military, diplomatic, intelligence, economic, scientific, and political operations. Its preparations are concealed, not published. Its mistakes are buried, not headlined. Its dissenters are silenced, not praised. No expenditure is questioned, no rumour is printed, no secret is revealed. It conducts the Cold War, in short, with a wartime discipline no democracy would ever hope or wish to match.

~endQuote

So, to whom was he referring...they have various names and the list is not exhaustive

The Conspirators

References:- Deep State, Khazarian Mafia², Kabbalists, Globalists, Illuminati. They are organized via the The Committee of 300, and have willing enablers in the Club of Rome, Black Nobility³, Jesuits⁴, Synagogue of Satan, Royal Institute of International Affairs, Council on Foreign Relations, Tavistock Institute, Ninth Circle Child Sacrifice Cult, Bilderbergers, Freemasons, and various "Orders". They have been around for many centuries and have infiltrated all manner of institutions, every intelligence agency and every Government's Executive, Legislative and Judicial arms. They have been responsible for the vast majority of the atrocities committed on this planet for centuries, including all wars, wars being a necessary precursor to controlling the masses. They seek a One World Government, a New World Order!

So how is this control and infiltration achieved?

As Benjamin Fulford attested in his blog benjaminfulford.net dated 24Feb2025

Quote~ What is being uncovered in the US is part of a worldwide parasitic network that has been sucking the lifeblood out of our planet for millennia. Most countries have similar huge flows of money created out of nothing or stolen via hidden taxes that go via untraceable routes to Switzerland.

Japan is another example. There have been massive protests in front of the Finance Ministry calling for it to be abolished. They preside over hidden taxes on tobacco, alcohol, salt etc. The ministry is under attack now because they are forcing the Japanese people into poverty through ever growing tax burdens and engineered price hikes on necessities like food.

Last week Japanese member of Parliament Kazuhiro Haraguchi made a speech in front of the ministry that has gone viral in Japan. In it, he talks about a series of secret slush funds run by the ministry that send trillions of dollars to Switzerland, North Korea and other places. He notes for example the ministry just sent \$60billion to the crime state known as the Ukraine.

Haraguchi was a colleague of former MP Koki Ishii. Ishii was fatally stabbed with a sword in front of his house the day before he was going to testify in parliament about these secret budgets. His daughter says it took the ambulance more than an hour to arrive at his house and he died in her arms.

He is just one of hundreds of politicians who met similar fates. Haraguchi knows what he is talking about because he once supervised the Finance Ministry on behalf of Prime Minister Keizo Obuchi. Obuchi was also killed by the Khazarian Mafia for looking into these slush funds. The KM finally put out resistance from Japanese politicians by taking Prime Minister Noboru

Takeshita to Alaska where they hung him from a helicopter, chased him naked through the snow, and stomped on his testicles before killing him. A video of this murder has been shown to every Prime Minister since. A Japanese royal family member and Japanese military intelligence sources both told me they have seen that video. ~endQuote

I have come across similar accusations on a number of blogs and videos, and given the impeccable credentials of the source I have every confidence that this is true.

The Deep State have of course deployed resources to refute contentions such as these, and this is now more widely known through the exposure of USAID funding used to deploy thousands of reporters to denounce and debunk these statements.

Dr John Coleman⁵ in his book on The Committee of 300 avers that

Quote~In my work "The Order of St. John of Jerusalem" published in 1986, I described the Order in the following manner:

".....It is therefore not a secret society, except where its purposes have been perverted in the inner-councils like the Order of the Garter, which is a prostituted oligarchical creation of the British royal family, which makes a mockery of what the Sovereign Order of St. John of Jerusalem stands for.

"As an example, we find the atheist Lord Peter Carrington, who pretends to be an Anglican Christian but who is a member of the Order of Osiris and other demonic sects, including Freemasonry, installed as a Knight of the Garter at St. George's Chapel, Windsor Castle, by Her Majesty, Queen Elizabeth II of England, of the Black Nobility Guelphs, also head of the Anglican Church, which she thoroughly despises." ~endQuote

Elizabeth was a Catholic and therefore a Jesuit. Her Coronation was a pageant for the masses and Her written Coronation Oath⁶ was a prima facie fraudulent document.

Zelensky was apparently given a note from Trump shortly before the White House meeting. It required that he surrender the human traffickers and return the children home. He refused and this resulted in the stramash and his ejection.

Going back to Fulford in his blog post of 21Feb2022 avers that

Quote~ "What do you do if a public figure you know of as a nice old lady has chopped a child's head off, drunken their blood and eaten their heart? responded a top MI6 figure when asked why Queen Elizabeth II had "tested positive for Covid" i.e. been arrested.

We heard before from a cousin of the Queen that the British Royals (until recently) had annual human sacrifices at Balmoral Castle. Now we know the details because video evidence of this has been given to MI6.

The reason this is coming out now is that the Rothschild family and other top Khazarian Mafia bosses like the Rockefellers have gone bankrupt. They have been pulling out all their blackmail cards, such as the one they had against the Queen, in a desperate bid to stay in power. "It is a compromise and control mechanism and it exists worldwide" says MI6. "Every painting in every Government office has a camera in it" MI6 continues, explaining why it is so hard to "drain the swamp".

"A lot of people are forced to do it with a gun to their head" the source continued while noting that "A lot of the world's military has also taken part in human sacrifice." ~endQuote

You might watch this video on Rumble. Two respected medical doctors Merritt and Northrup and Reiner Fuellmich an internationally renowned lawyer. They expose the cannibalistic nature of the perpetrators.

<https://rumble.com/search/all?q=The%20Big%20Intel%20Drop>

So now you know why all the missing children rarely return home.

Baal and Moloch are Gods Biblical enemies, they are referenced in the Bible. The Baphomet is a transgender human with the head of a goat. Balmoral – BAAL with no Morals. Worship of Satan is the One World Religion that the elite support.

I hope this information helps you to understand what is really going on behind the scenes. The main stream media is not going to report any of this because they are all controlled.

“In truth it is not for glory or riches or honours that we fight but for freedom alone that no honest man gives up but with life itself”

On my Honour,

Iain S Kerr
